**CALGARY, Alberta – September 10, 2018** – Iron Bridge Resources Inc. (“**Iron Bridge**”, “**IBR**” or the “**Company**”) (TSX: IBR) today announced that it has entered into a support agreement with Velvet Energy Ltd (“**Velvet Energy**” or “**Velvet**”) for an amended offer by Velvet to acquire all of the issued and outstanding common shares of IBR (the “**Common Shares**”).

Under the terms of the support agreement (the “**Agreement**”), Velvet has agreed to amend its offer (the “**Amended Offer**”) to provide for an increase in the consideration payable in the original offer to \$0.845 per Common Share in cash

The Amended Offer has the support of the Iron Bridge Boards of Directors. Further, all Iron Bridge Directors, Officers and certain shareholders, who together own approximately 35% of the outstanding Common Shares, have entered into agreements to tender their Common Shares in response to the Amended Offer.

The IBR Board of Directors (“**IBR Board**”) has received an opinion from its financial advisor, Cormark Securities Inc., that, as of September 9, 2018, the consideration under the Amended Offer is fair, from a financial point of view, to IBR shareholders. Following a careful review and consideration of the terms and conditions, the IBR Board has determined that the Amended Offer is in the best interests of Iron Bridge and recommends that shareholders tender to the Amended Offer.

“Since Velvet made its initial offer, our Board has remained steadfast in its commitment to pursue all options to maximize value for all Iron Bridge shareholders,” said Rob Colcleugh, Iron Bridge’s Chief Executive Officer. “We are comfortable that this agreement fulfills that commitment, providing our shareholders with a higher cash price for their shares, despite a challenging environment for Canadian oil and gas companies. We are pleased to have the support of all Iron Bridge Directors and Officers as well as major shareholders, including Maple Rock Capital Partners and Bison Interests LLC, who have all agreed to tender their shares in response to the Amended Offer. We recommend all shareholders also tender their shares to Velvet’s materially improved offer.”

Under the Agreement, the expiry time of the Amended Offer has been extended to 5:00 p.m. (Toronto time) on September 24, 2018, or such later date as Velvet may require.
